As a Local, Full-Time, Professional Realtor,

## **I am Carrie Parent**

As a well-respected Realtor known for my honesty and hard work, I have sold properties in **Montbury**, as well as in the surrounding neighborhoods of Normandale Heights, San Rita Ridge, Sycamore Creek, Creekside and more!

I was active at Lake Forest Elementary School where I was a volunteer, room mom and I worked on and organized many fund raisers. As a Girl Scout leader of TWO Troops, my girls and I completed several school improvements.

I've sponsored ALL 27 Annual Creekside Neighborhood Garage Sales;  
I sponsor Trabuco Hills High School's weekly Bingo nights,  
I sponsor the North/South Orange County Challenge,  
(an annual winter basketball tournament hosted by El Toro High School)  
and in February I'll be sponsoring my 28<sup>th</sup> annual food drive benefiting  
South Orange County Community Outreach here in Lake Forest.

I live in Lake Forest and am a business supporter of the city and it's residents.

*It is with great respect and honor that I have had the opportunity to assist everyone from first-time buyers, military personnel, company executives/owners, corporate transferees, investors to senior citizens with their real estate needs.*
